THIS IS ONE OF
OUR WOWS.

Ja, unser Sommer ist voll von kleinen und großen Wows. Und nicht nur der Sommer, sondern auch Frühling und Herbst haben ihren ganz besonderen Charme. Leichte Wanderungen, anspruchsvolle Touren, zu Fuß oder auf dem Bike. Frische Luft und Sonnenschein beim Golf mit 100 % Greenfee, der Abstecher zum kühlen Bergsee, ein Paragleiter-Tandemflug vom Kronplatz oder der gemütliche Ausritt mit den Pferden. Hier in den Bergen ist jede Jahreszeit magisch und jeder neue Ort bringt immer wieder neue Perspektiven. Draußen sein, in der Natur, mit der Natur. Sich bewegen, durchatmen, eintauchen. In eine Welt voller Wows.

Sì, la nostra estate è ricca di piccole e grandi meraviglie. Ma non solo: anche la primavera e l'autunno hanno un fascino particolare.

Facili escursioni, tour impegnativi a piedi o in bicicletta, aria fresca e sole durante una partita a golf con green fee gratuito, una sosta sulle rive del fresco laghetto alpino, un volo tandem in parapendio da Plan de Corones o una piacevole passeggiata a cavallo: in montagna, ogni periodo dell'anno è magico e ciascun luogo offre nuove prospettive. Trascorrere momenti all'aperto, nella natura e a contatto con essa, fare movimento, respirare profondamente e immergersi in un mondo incantevole.

Yes, our summer is packed with 'Wows' big and small. And not just the summer, either – spring and autumn are overflowing with their very own, very special allure.

Leisurely hikes and challenging tours on foot and on bike and sunshine as you play a round of golf, with green fee included, a trip to a refreshing mountain lake, a tandem paragliding flight from the Plan de Corones or a relaxing horseback ride. Here in the mountains, every season is magical and every new place brings you new perspectives. Being outside, in nature and with nature. Get out and about, take a deep breath and dive into the delights of life. Into a world of Wows.

AND THIS IS THE
OTHER ONE.

Wer einmal den Winter in den Dolomiten erlebt hat, der versteht gut, welche besondere Magie sich mit dem Schnee über die Landschaft legt.

Tiefverschneite Wälder, weiß-kantige Spitzen am Horizont, ein Glitzermeer aus Stille über den Feldern und Wiesen, hin und wieder eine kleine Spur im frischen Schnee. Eine Kulisse, perfekt für das schönste Wintermärchen. Eines das erzählt, von sanften Spaziergängen am Waldrand entlang, von sonnigen Stunden auf Loipen und Pisten, bestens präpariert für die perfekte Performance. Von gemütlichen Ausritten mit dem Pferd, Eislaufen am See, vom Lichtermeer am Weihnachtsmarkt.

Chi ha sperimentato l'inverno tra le Dolomiti conosce la particolare magia che

la neve conferisce al paesaggio. Foreste avvolte in un candido mantello, cime imbiancate all'orizzonte, campi e prati scintillanti, immersi nel silenzio, con piccole tracce nella neve fresca disseminate qua e là: uno scenario perfetto per una magica favola invernale che narra di rilassanti passeggiate ai margini del bosco, di piste soleggiate e tracciati per lo sci di fondo impeccabili preparati per una performance perfetta, di piacevoli tour a cavallo, di pattinaggio sul lago ghiacciato, del mare di luci del mercatino di Natale.

Anybody who has ever experienced winter in the Dolomites has felt the special magic that covers the landscape with snow.

Snow-blanketed woods, white-capped peaks on the horizon, a shimmering sea of silence across the fields and meadows, dainty tracks leading through the fresh snow every now and again. A stage setting befitting of the most enchanted of fairytales, telling of unhurried walks along the edge of the forest, of sun-kissed hours spent on cross-country trails and slopes, immaculately groomed to host the perfect performance. Of leisurely horseback treks, ice skating on wintry lakes and the sea of lights adorning Christmas markets.

Wer einen Urlaub in den Bergen sucht, der möchte sie natürlich auch ganz bewusst erleben. Unser Outdoor- und Aktivprogramm hält dafür bereits ein gutes Maß an Abwechslung bereit, Sommer wie Winter, Frühling wie Herbst. Für Groß, Halb-groß und sogar ganz Klein und mit verschie- denen Gradationen zwischen Adrenalin und Endorphin.

Und auch, wer auf sein ganz spezielles Aben- teuer aus ist, kommt hier voll auf seine Kosten, denn in den Winklerhotels sorgen professionelle Guides für die ganz individuelle Experience, in kleiner Gruppe und gerne auch ganz privat: Wanderguide, Bikeguide, Golf- und Yoga-Trainee, Skiguide. Tandemflug vom Kronplatz, Can- yoning bei den Reiner Wasserfällen, die Pässe- tour mit dem Oldtimer: Collecting Wows.

Chi desidera trascorrere una vacanza in mon- tagna, è naturale che voglia viverla in modo consapevole. Il nostro programma di attività indoor e outdoor è molto vario in ogni stagione e adatto ad adulti, ragazzi e bambini, con un mix di adrenalina ed endorfina.

Ma anche chi è alla ricerca di particolari avventure troverà pane per i suoi denti, perché nei Winklerhotels i nostri professionisti – guide escursionistiche a piedi, in bicicletta o sugli sci, istruttori di golf e yoga – assicurano esperienze personalizzate indivi- duali o in piccoli gruppi. Non manca neppure il volo in tandem dal Plan de Corones, il canyoning nelle cascate di Riva, il tour dei passi in auto d'epoca... insomma, una serie di sorprendenti avventure.

If you're looking for a holiday in the mountains, you'll want to experience it in its every facet. Our outdoor and activity programme brings you a plentiful dose of variety, in every season of the year and for all ages – each one of them overflowing with adren- aline, endorphins and every pleasant feeling in between.

Guests who are looking for a very special adven- ture will also find exactly what they are looking for here. Our profes- sional guides here at the Winklerhotels offer tailor- made experiences for small groups or, if you prefer, just for you alone: Hiking guides, biking guides, golf and yoga instructors, ski guides. Tandem flights from the Plan de Corones, canyoning at the Reiner waterfalls, touring the mountain passes in a vintage car: Collecting Wows.

OH, AND THERE'S
ONE MORE...

Im Schritt den gemütlichen Waldpfad entlang, im Trab über Wiese und Feldweg – mal inmitten satten Grüns, mal im winterlichen Weiß. Wer selbst reitet, weiß, welchen Zauber so eine Tour im Sattel haben kann. Und hier im idyllischen Montal, direkt neben dem Chalet Purmontes, nochmals ein Stück weit mehr.

Im eigenen Reitstall der Winklerhotels warten Haflinger, Quarter und Peint Horse, Apaloosa, Noriker und auch einige Ponies auf passionierte Pferdefreunde. Wer mit eigenem Pferd reist, für den warten Gastpferdeboxen mit Paddock in unseren Stallungen. Dabei kümmert sich die Crew nicht nur um die Pferde, unser diplomierter Reit-Guide freut sich auf private Reitstunden für Groß und Klein, Gruppenkurse oder geführte Ausritte vor der starken Kulisse der Dolomiten.

Al passo lungo l'accogliente sentiero del bosco, al trotto su prati e sentieri, a volte in mezzo al verde, altre nel paesaggio innevato: chi ama l'equitazione, conosce la magia di un tour in sella, ancora più incantevole nell'idillia-

Nel maneggio dei Winklerhotels, gli appassionati sono attesi da Avelignesi, Quarter & Peint Horse, Apaloosa, Norici e persino da alcuni pony. Chi invece non vuole rinunciare al proprio cavallo, le nostre scuderie offrono box con paddock. Il nostro staff non si prende solo cura dei cavalli: un istruttore qualificato è a disposizione per lezioni private adatte a grandi e piccini, corsi di gruppo o passeggiate al cospetto delle straordinarie Dolomiti.

Walking along gentle forest paths, riding across the meadows and country lanes – and in the midst of it all, lush velvety green or white winter wondrousness. If you ride horses yourself, you'll be more than familiar with the magic of hopping up on the saddle and heading off into the countryside. And here in the idyllic Mantana/Montal, right beside the Chalet Purmontes, the experience is more magical than ever before.

In the Winklerhotels' own stables, Haflingers, Quarters and Paint Horses, Apaloosas, Noric and even a few of our own ponies are ready and waiting for horse lovers. If you are travelling with your own horse, the stables also provide guest horse boxes and a paddock. Our team look after the horses, and our qualified riding guides offer private riding lessons for children and adults together with group courses and guided treks replete with views of the breathtakingly beautiful Dolomite mountains.

SUN VIEW SPA

Im Solvie kommen all jene ganz auf ihre Kosten, die sich einen Urlaub voll ungezwungener Leichtigkeit und Freiheit wünschen.

Hier kann man endlich mal ausschlafen, das Frühstück wartet gern, sogar bis halb Zwölf. Dann Sonne pur, süßes Nichtstun am Pool. Oben am Skydeck oder unten im Garten. Der kühle Cocktail, ein gutes Buch, der Blick hinaus, weit und frei, bis an den Horizont. Ein paar Runden im Pool, zum Aufguss in die Sauna. Später die coole Bowl, was Gesundes aus der Fresh-Theke. Wer mag, gern auch in seiner privaten Lounge direkt am Pool. Draußen das starke Spiel der Natur, drinnen sanfte Farben und natürliche Materialien. Nach dem Dinner noch ein feiner Drink an der Bar, smooth Sounds und der schöne Duft der Unbeschwertheit.

Il Solvie, la meta perfetta per chi è alla ricerca di una vacanza all'insegna della spensieratezza e della libertà.

Qui si può dormire a lungo: la prima colazione può attendere, anche fino alle undici e trenta. Sole smagliante, dolce-far-niente a bordo piscina, sullo Skydeck o in giardino. Un cocktail rinfrescante, un buon libro, la vista aperta fino all'orizzonte. Qualche bracciata in piscina, seguite da una gettata di vapore nella sauna. Più tardi, una fresca bowl o un sano spuntino dal banco dei prodotti freschi, che si può gustare anche nella lounge privata a bordo piscina. Gli intensi contrasti della natura all'esterno, i colori tenui e i materiali naturali all'interno. Dopo cena, un delizioso drink al bar, accompagnato da smooth sound e dall'incantevole aroma della spensieratezza.

Solvie: the perfect destination for all those in search of a holiday filled with leisurely, carefree ease.

Enjoy a long lie, at long last: breakfast is happy to wait, right up until half-past eleven if you want. And afterwards, bask in the warmth of the sun and the joy of poolside relaxation on the sky deck or down in the garden. A refreshing cocktail, a good book, and open, sweeping views as far as your eye can see. A few laps of the pool and then off to the sauna for an Aufguss infusion ritual. And later on, a bowl of something healthy and wholesome at the gourmet snack bar—or, if you prefer, in your own private lounge, right by the pool. The vibrant vitality of nature outdoors, and soft colours and natural materials indoors. And after dinner, enjoy the smooth melodies as you savour one last drink at the bar at the bar and breathe in the feeling of freedom from care.

LIFE IS ABOUT COLLECTING WOWS.

THE DOLOMITES ARE FULL OF THEM.
